

SAFARI OUTFITTERS LTD.

As concerns around the Coronavirus (COVID 19) evolve, and with NY State being at high risk, we want to inform you about specific measures Safari Outfitters Ltd is taking to protect everyone's health and safety.

Niles and I will remain available by phone and email. For the time being, however, all public visiting hours will be **by appointment only**. Although we will miss the spontaneous nature of your drop-in visits, the safety of our customers is our top priority. These temporary safety measures will allow us to better plan for the amount of foot traffic we get through our doors each day, leading to lower chances of exposure for us all.

We greatly appreciate your patience and understanding as we take these temporary safety precautions. We will continue to respond to the latest developments on coronavirus as advised by the Center for Disease Control and OSHA guidelines and recommendations on the steps we can take to help prevent the spread of the virus.

Be safe,

Niles & Kim
